Careers Week- 14th to 18th October

Communicating to Change the World

27th September 2013

Dear Parents/Carers

Torriano Careers Week is here again! We really value this annual community event as it is an opportunity for the children to learn about the world of work, providing real contexts for their learning and helps raise aspirations for all. Last year was a fantastic success as so many of you gave up your time to share your experiences and knowledge with the children. Thank you again; the children loved the week and were inspired by your talks.

We would like to invite you to speak to the children about your career and the pathway to your current occupation. We are keen to represent a variety of experiences. Our theme this year is *Communicating to Change the World* and we would like you to consider these key questions:

In what ways do you think communication is important? How do you share ideas and communicate with others? What is the role of technology in your job?

If you would like to take part please either email the school at careerkids13@gmail.com or fill in the form below indicating your availability.

We look forward to welcoming you into the school.

Kind Regards,

Rose O'Brien - PSHE Leader
