23 January 2014

Dear Parents/ Carers

I am writing to inform you about some funding that has been awarded to Torriano Infant and Torriano Junior Schools. The funding involves both schools working together to improve school grounds as well as an exciting opportunity to involve the wider community in using the space after school hours and during school holidays.

The funding has been awarded through Camden Active Spaces and to secure this award our schools have made a commitment to open up our 'Active Space' to the wider community at key times throughout the year.

We would therefore like to invite you to an initial consultation meeting on **Friday 31st January 2014**. The meeting will be held at **Torriano Infant School at 9:15am**.

We hope that you will be able to attend the meeting and share any ideas on how we could develop the space and work together in the future.

Yours sincerely,
