24th February 2014

Dear Parents and Carers,

We trust everyone enjoyed the half term break and are ready the rest of this spring term!

Active Spaces Project
The Camden Active Spaces Project is a joint venture with the infant school and will give us the opportunity to develop dynamic play provision, whilst creating an 'active space' for the community to use. All parents and carers are invited to attend the second **Active Spaces Consultation** taking place on **Wednesday 26th February 2014** in our lower main hall. You are welcome to come along between 2.30pm – 4pm and 6pm – 7.30pm. There will be an opportunity to meet the architects and share views on the initial design ideas.

World Book Day
We are very excited about this year's **World Book Day** taking place on **Tuesday 4th March 2014** where the children will be able to come to school dressed as their favourite book characters. We will share more information about this event this week.

STEAMSPEARE
As part of 450th anniversary celebration of William Shakespeare, the children are creating an exhibition, which will take place from **17th – 28th March 2014**. This will showcase the children's learning about William Shakespeare through science, technology, engineering and the arts.

Breakfast clubs/after school
The school gates will open from 8.45am every morning. Children who attend breakfast club will be allowed entry using the school buzzer. If you child does not attend breakfast club, please ensure they arrive no earlier than 8.45am.

Children who are waiting to be collected after school (by late parent/carer pickups) will now wait inside the main lower hall. This ensures these children are supervised during this busy period at the end of the school day.

Yours faithfully

Helen Bruckdorfer
Head of School
