Year 1 Parent & Carer Phonics Workshop

Wednesday 16th March 2016

9.15am – 10.15am

Infant Hall

Year 2 parents and carers are invited to Torriano Primary School's Phonics Workshop on **Wednesday 16th March at 9.15am** to learn about some of the best ways you can **support your child with phonics and the upcoming year 1 phonics screening assessment**. The workshop will be run by Vicky Baker (Acting English Leader) & Amal Soliman (year 1 teacher and Phonics Champion).

The workshop will cover:

- What is phonics and why do we teach it?
- How to support your child with the upcoming phonics screening assessment.
- Helpful resources and sample materials for the assessment.

We encourage all parents and carers to attend as this will help prepare you and your child for the phonics screening that will be taking place during the summer term.

If you have any questions regarding the workshop, please speak to Maria Lewis (Family Support Worker).

We look forward to seeing you there.
