Following the success of the Summer Energy Club hosted by Jubilee Hall Trust last year, the club will be returning once again to Torriano this summer. **I am pleased to inform you that unlike last year, children in years 5 and 6 will now be able to attend the club without parental supervision.** However, in order for your child to visit the club (either regularly or as a one off) we require your consent prior to their first visit.

Who are Jubilee Hall Trust?

- A charity that aims to build healthy communities by promoting the fitness and wellbeing of children and their parents.

What is Energy Club?

- A **FREE** summer club for children aged 4 – 11, led by play workers (**including members of staff from Torriano Primary School**)
- It includes organised playground games and free play on the Active Spaces.

If your child would like to visit the club at some point during the summer holidays, please complete the form below and **return it to the school office by Thursday 14th July. Children in year 5 and 6 will not be allowed onto the school grounds without parental consent. In the event of bad weather, the club will be closed.**

Kind regards,

Maria Lewis
Family Support Worker

I give permissions for my child to attend the Summer Energy Club taking place during the school holidays.
