Funding used towards	Allocation amount	New or cont'd activity	Brief summary-year groups, pupils, timescale	Intended outcomes	How will it be monitored, when by whom, how will success be evidenced.	Actual impact
TA training- Playground training	Incorporated in the service level agreement between Torriano and the Camden Active schools service	Continued.	Giving TA training on how to run effective activities in the playground- increasing our Level 1 intra school competition level. Focus on the whole school.	Greater involvement in focussed activities- Level 1 games in the playground.	A review will take place whereby levels of pupil's participation will be monitored for one week.	A more active and inclusive playground offering a wider range of physical and mental challenges.

PE Premium Expenditure 2015-16

Orienteering	£500	Continued.	Year 3 and 4 on Hampstead Heath (half day each year).	Meeting the orienteering aspect of the new PE curriculum.	Success will be gathered by the children's responses to the sessions and the continuation of orienteering lessons on the school site.	All got the chance to experience the heath in an alternative way, applying new skills of map work and team communication.
Camden School Sports association	£450	Cont'd	Whole school	To increase participation in all areas of sport. Competitive and inclusive. Through this we should achieve our target participation level.	Participation will be monitored by PE Lead to ensure as many different children are participating in a range of events.	75% of children participated in extracurricular and intra school Level 1 and 2 activities.

PE Premium Expenditure 2015-16

Sports Crew	Free	Continued.	A team of Year 5 or 6 children to run Level 1 activities in the playground. Having a weekly sporting focus, a different year group each day will be allowed to participate with a celebration event on Friday. Children will set up the activities and then lead the sessions.	To give children responsibility to run something almost completely independent– take on different roles with a new group of children, young leaders. They will use the Sainsbury's Level 1 games activity sheets.	Monitored by playground staff and PE lead. Weekly meeting with the crew arranging the next weeks sports and activities and equipment etc. Any issues within the crew– people still doing their jobs, updating the website.	65% of children now participate in a Level 1 activity in the playground led by a TA and Sports Crew.
Adult release time	£800	To subsidise salaries of support staff who assist the PE lead in attending extra curriculum sporting activities out of school hours. New	This subsidy will give the school the capacity to attend additional extra curriculum sporting activities.	Children will develop an enhanced knowledge or of a variety of sports and will also increase the safety of the environment in which they are learning in due to additional staff being present.	Staff issuing timesheets when working additional hours and monitored by the admin team. Increased participation in competitive inter-school competitions. Registers and pupil attendance data will provide evidence of increased participation.	This has allowed children to take part in the Level 2 activities during school time- without which- the children wouldn't be able to go.
