Values and Ethos Survey & Meeting

This year we are developing a common core of values that will be integral to our new school ethos and vision. It will be important to involve the whole school community in this process and consequently we would like our parents and carers to complete this short survey: **The role of Torriano in teaching about the wider world.**

This is an exciting chance to share your views on Torriano's curriculum and the world. To complete the survey please visit: <https://www.surveymonkey.co.uk/r/FKPTVNG>

We are inviting parents and carers to attend the first steering group meeting on Monday 30th January, 9.00am. This will be an opportunity for members of the school community to share their thoughts about our new school vision. We hope to see many of you there.

After School Clubs

Can all parents and carers please ensure that after a club all children are collected from the main reception/hall. This is to ensure that the club leader is able to sign the children out at the end of the session. Children attending karate and gymnastics club can be collected from the top hall.
