A Time to Talk; a Time to Change

Parent/carer and child JOINT PLEDGE for World's Largest Lesson 2017

Dear Parent/Carer,

For the World's Largest Lesson 2017, your child has been learning about how their **food choices impact the Sustainable Development Goals**. This has ranged from keeping a **food waste log**; looking at the **environmental impact of plastic packaging**; **how far food has had to travel before it gets to the supermarket** and finally, what makes a **sustainable dish**?

As a result of this learning, the children have been writing a **pledge** on what they can do differently to improve food sustainability. Examples have included looking at the food labels to check ingredients origin, not buying plastic bottles, avoiding wasting food on the plate, etc.

This week, at home, it would be great if your child discussed his/her pledge with you. Then, based on that, you could write a joint pledge- a carer/parent and child pledge.

What will you agree to do at home?

What about, when going to the supermarket?

Please write your joint pledge on the back of the letter in the space provided. Please ask your child to bring it in by Thursday, 28th September.

If you would like to upload a **video pledge** follow the link below and use the password 'timetotalk' to access the topic. Flipgrid is a new video forum website, our 'grid' is password protected and secure.
