Dear Parents and Carers,

As part of our new science topic 'Living things and their habitats' Year 6 will be visiting the **Natural History Museum** on **Monday 25th September 2017**, to take part in a nature variety show. They will find out about species adaptations and how humans fit into the classification system. At the museum, they will also get the chance to do the job of enquiries service scientists.

We will be taking the tube to get to the museum, leaving school at approximately 9:30am and returning to school at around 3.15pm. **Every child will need to bring a healthy packed lunch, unless your child has asked the school to provide them with one.** Please also ensure children are dressed appropriately for the changeable weather conditions.

Kind Regards,

Katherine Branco and Mrs Trehwella

Year 6 teachers
