Dear Parent/Carer,

Our Nursery and Reception children have an excellent opportunity to access an educational App called **'EasyPeasy'**. This digital service is designed to support your child's early development, and prepare them for school. The games help build children's skills such as cognition, self-regulation and self-control. The service provides game ideas, tips and information about activities, which are sent to parents' mobile phones once a week.

Please see the attached leaflet how to access this educational app.

We will be running **'EasyPeasy' Workshop** for parents on **Wednesday 24th January 2018 9:00-10:00 am in the Infant Hall.**

If you have any questions, please see Stana (Nursery teacher) or Ellie (EYFS leader).

Happy learning!
