Families for Life EYFS Programme

EYFS parents will be able to join a 4 week healthy eating and active play programme, taking place at Torriano in March. Each 90 min session includes fun activities and cooking simple recipes based on a specific theme such as budgeting, time and fussy eating. Limited spaces available—more information to follow!

Please note, the school grounds remain closed after school during the winter. Please ensure children and adults are not on the premises after 3.45pm. As weather improves we will reopen the grounds.
