Wednesday, 12 September 2018

Dear Parents and Carers,

As part of our new science topic '*Living things and their habitats*', Year 6 will be visiting the **Natural History Museum** on **Monday 24th September 2018**. As well as exploring the exhibitions, the children will watch a live 'variety show', within which, they will find out about adaptations within species and how humans fit into the classification system.

We will be taking the tube to get to the museum, leaving school at approximately 9:30am and returning to school at around 3.00pm.

Please ensure you access the Parent Portal in Arbor to consent to all curriculum class trips and to specify whether or not your child requires a packed lunch for school trips. Every child will need to bring a healthy packed lunch, unless your child has asked the school to provide them with one.

Kind Regards,

Matthew Western and Katherine Branco

Year 6 teachers
