i If you are using a public or shared computer, please ensure that you log out and close all browser tabs so the next user is unable to access your account.
Note for system administrators: do not enable any browser features that re-open recently-viewed web pages at startup.

Use the search bar to find google. Sign into the **google drive**.

www.google.com > drive

You will need to enter your child's USO followed by

@apps.torriano.camden.sch.uk

The USO was given to individual children and also emailed out via Arbor.

Next, enter password– it will be a short word followed by a number.

Once you have entered your password, you should be taken to a page that looks like this.

Use your child's USO in the first line and the **same password** as before.

The USO this time should **not** include the "@apps" part.

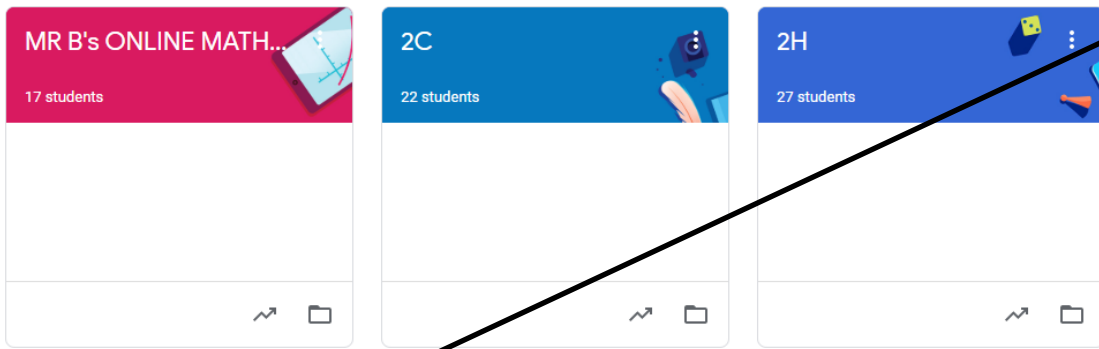

You will then be asked to verify this is your account if it is the first time you have logged on from your computer.

Verify it's you

:202@apps.torriano.camden.sch.uk

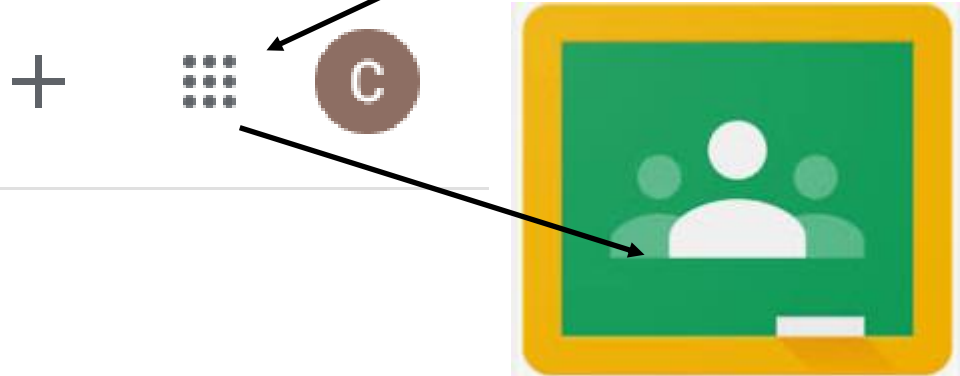

We would like to confirm the referenced account is yours. If you recognize this account, please press continue.

[I don't recognize this account](#) [Continue](#)

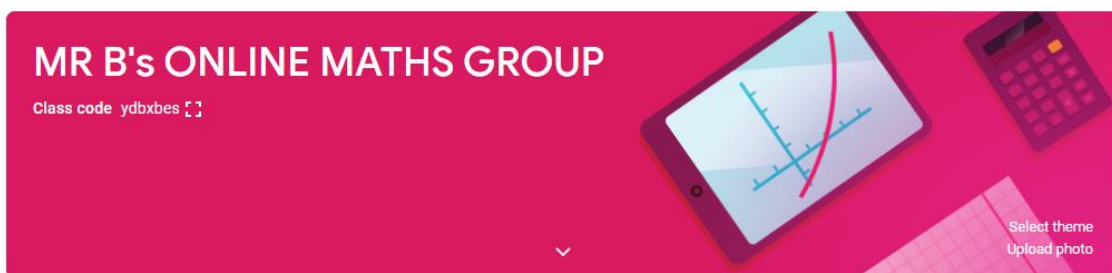

Click on the 'waffle' (3 dots x 3 dots icon)

You should then see a link to the Google Classroom.

Inside you will see posts from your child's class teacher. The posts will contain activities, questions and ideas to support home learning which the children can use and then either answer directly or upload their learning.
